Education

Indian Institute of Information Technology (IIIT), Sri City	2023 – 2027
B.Tech in Artificial Intelligence and Data Science	CGPA: 8.0/10
Whitefield Global School, Bangalore	2010 – 2023
Primary, Secondary and High School Education	12th Percentage: 94

Relevant Coursework

Machine Learning, Deep Learning, Introduction to Data Analytics, Reinforcement Learning, Python for Data Science, Computer Programming

Projects

- **Travel Agent:** Developed a tool to look up flights and hotels online and create a travel plan based on a given destination. Utilized FastAPI for backend, Python for scripting, Amadeus API for travel data, and Gemini for enhanced functionality.
 - **QueryLog:** Built a system to retrieve relevant records from a MongoDB-stored log file using Elastic Search and ETL processes. Tech stack included MongoDB, Elastic Search, FastAPI, and Python.
 - **NNAO:** Created a machine learning algorithm for approximating ambient occlusion using scene depth and normal buffers. Implemented using TensorFlow, Python, and Blender for 3D rendering.
-

Experience

- **Agentic AI Junior Intern, Astronova Labs:** Contributed to AI-driven projects, focusing on agentic systems and data processing pipelines. 2025 – Present
 - **Video Editing Team, IIIT Sri City:** Assisted in producing and editing video content for institutional events and promotions. Jan 2025 – May 2025
-

Skills

- **Languages:** C, C++, Python, R, Java
 - **ML Tools:** TensorFlow, PyTorch
 - **Game Development:** Unity, Three.js
-

Certifications

- Introduction to Machine Learning (Udemy)
